Nurse Practitioner, Chronic Pain Program
Associate Professor, Faculty of Nursing, University of Toronto

Title: *One Size Doesn't Fit All. Personalized Digital Health
Approaches to Pediatric Chronic Pain Management*

- Objectives:**
- 1) *To understand the barriers to accessing acute and chronic pain self-management care.*
 - 2) *To describe the steps in development and evaluation of electronic and mobile health applications tailored for chronic pain self-management in children and youth.*
 - 3) *To discuss the opportunities and challenges of using digital health technologies.*

Interdisciplinary Pain Rounds are a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.
